ADMINISTRATION OF LEAVES

Regarding Office Timing and Leave Administration

Charusat has introduced Flexi timing from 01.09.2020. This shall give sufficient flexibility to teachers to pursue their academic as well as research activities.

The following points have to be considered while availing the Flexi timing facility to staff members (Teaching and Non Teaching Cadre) :

1. Work-hours per day shall be a minimum of 7.30 hours including a half-hour lunch break. Total work hours per week shall not be less than 42 hours.
2. All academic assignments like lectures/laboratories etc. as per institutional time-table shall have to be diligently adhered to. Any discrepancy in that shall be construed as misconduct.
3. Every working day from 11:00 am to 03:00 pm shall be core timing where all staff members shall be available.
4. It is necessary for all the employees to register the fingerprint impression every day for both the time to avoid any discrepancies. If the system finds a single time punch or No punch of any employee then the system will mark CL /LWP.
5. It is absolutely necessary to apply for leave in e-Governance within 3 days of the first day of leave. Failing which his/her leave will be considered as CL / LWP.
6. For the presence of half-day, the presence of four hours' time duration is required.
7. Provision of early going and late coming relaxation for two times in a month will not be applicable henceforth because of Flexi timings.
8. The fingerprint should be registered at the machines installed at their respective faculty building only.
9. It is very important to get leave sanctioned before proceeding on leave. However, in emergency an employee can be on leave with oral sanction of authority. Employee will have to make necessary arrangement of his/her work load with other colleagues. In such event it is absolutely necessary to fill the leave report on the day he/she rejoins the duty, failing which his/her leave will be considered as leave without pay.
10. Anybody proceeding on leave without prior sanction will be marked absent.
11. No employee shall leave his/her office without permission of concerned authority. No employee shall leave the campus during office hours for the reasons other than official duty as permitted by authority. If any employee leaves the campus during office hours, he/she should put figure print impression at both the time – leaving and coming back to the campus.
12. All the staff members should take lunch in the campus itself.
13. All the peons should come half an hour early and leave the campus half an hour later than that of schedule of the University, i.e. they should come before 8.30 a.m. and leave the office after 5.00 p.m. The Principal/HOD may stagger peon's duties as per their requirements.
14. It is necessary for all the peons to come in uniform every day without fail.
15. All are requested to follow these rules.
