

Project Completion Certificate

This is to certify that **Charmi Vadaliya** (20MCA134) is a student of Master of Computer Application from Charusat University. She has successfully completed the final semester project title "**Gardening Management App**" Mobile application under the proper guidance of **Epsilon Technology** from **December 2021 to April 2022**. During the period of their internship program, we found them punctual, hardworking, and inquisitive.

A handwritten signature in black ink, appearing to read 'Jaydeep Kataria'.

Regards,
Jaydeep Kataria
CEO of Epsilon technology
